City Fresh is not-for-profit program of the New Agrarian Center. We distribute locally grown, fresh fruits and vegetables each week throughout Cuyahoga, Summit, and Lorain Counties.

- City Fresh is the ONLY Community Supported Agriculture Program (CSA) that offers:
- Broad access in urban food deserts
  - Graduated share pricing based on income
    - Week-to-week share purchasing
    - Ordering via the Ohio Direction Card

Our Fresh Stops are 100% run by volunteers who live and work in your community.

All food is grown within 70 miles of the Fresh Stops and picked within 24 hours of distribution.

95% of City Fresh Produce comes pesticide and herbicide free. Absolutely no genetically modified foods.

Our truck runs on 80% waste vegetable oil.

## Support

I would like to contribute \$\_\_\_\_\_ to the City Fresh Annual Share Fund in support of the limited income shareholders and fresh food access for all.

\_\_\_\_\_ I would like to volunteer to help staff and/or manage the Fresh Stop in my community, or help to promote the program in my neighborhood.

**Orders by mail must be received at least one full week prior to the date of the Fresh Stop.**

## Signature Required

I understand that by ordering my share, the food I have reserved has been paid for on-farm on the date of my Fresh Stop. If I do not pick up my food on the designated day and time of my Fresh Stop, the food will be donated at the end of the regular Fresh Stop hours and no refund will be extended by City Fresh or its volunteer Market Managers.
